

# Poster Guidelines

The measurement of your poster should be approximately A0 Portrait (max. 120 cm high x 90 cm wide / 47 inches high x 34 inches wide). The poster should be easily readable from a distance of 2 meters.

**Company logo** (crossed out)

**ECET logo** (crossed out)

**Possibly Institution logo**

**Name of authors, institution, city and country**

**Institution logo**

**The lettering of the title should be a least 25 mm high**

**The lettering of the main text should be at least 10 mm high.**

**Please use GENERIC NAMES only. Brand names are referred to by an \* at the generic name used in the text.**

**Captions are important and they must be informative.**

**Invisible lines make it easier to maintain proper text structure.**

The poster layout includes the following sections and annotations:

- Title:** "The lettering of the title should be a least 25 mm high"
- Introduction:** "The main text should be at least 10 mm high. To od te dolor sectem venibh euisi. Feugiamet, sum dit praesed dolor at.
